

Travelling to Southall Railway Centre

1) By rail

Southall Station (Great Western)

Turn right out of the station entrance and follow South Road down to the traffic lights.

Turn right into Park Avenue and follow road for approximately half a mile when you will see Green Drive on your left and a pedestrian walkway (Devil's Tunnel) on your right. Proceed through the walkway until the end – opposite is the gated entrance to Southall Railway Centre.

2) By road

From Windmill Lane turn into Armstrong Way (industrial estate) and pass through the security point, following the road to the very end (Collett Way), turning right and then immediately left into the road leading up to Southall Railway Centre on the right hand side.

Please park in the indicated area before the entrance gate.

3) By bus & on foot

Bus route E5 from Perivale travels via Havelock Road into Glade Lane – alight at “Top Locks” at the Grand Union Canal. Walk along the extension of the road with the factory to your left, cross the canal bridge and Southall Railway Centre is straight in front of you.

Bus routes 105, 120, 195, 435 & H32 stop at Southall Station – then follow **1)** above.

Bus routes 195, 207 & 427 stop in Uxbridge Road (Dormers Well stop) – then walk down Green Drive or Park Avenue to the pedestrian walkway (Devil's Tunnel).
